Capital Campaign Update

Time certainly has a way of moving along. Our last newsletter was published on Easter Sunday, and now we are on the cusp of fall! With that comes our annual Country Fair and preparations for the Holidays. I hope that everyone had a relaxing summer.

I would like to update you on the progress made in our Capital Campaign over the last 5 months. Parishioners continue to diligently make payments on pledges totaling over \$1.6 million. Our current balance in the Inter-Parish Loan Fund is nearing \$600,000! Some parishioners have fulfilled their pledge and have continued to make additional payments beyond their pledge amount. We are including an updated "Honor Roll" in this edition, to highlight the many parishioners that have met the challenge and sacrificed by making a pledge to this campaign.

Since February we have had 30 families join St. Joseph's. These families were recently contacted and asked to support the campaign by making a pledge. I am confident they will join us in becoming a part of St. Joseph's history. It is NEVER too late to make a pledge and contribute to this effort. Pledge cards are located outside the parish office. Just fill out the pledge card and drop it off in the parish office. Likewise, cream colored payment envelopes are located outside the parish office for your continued use.

Due to your generosity and dedication Father Frazier petitioned the Archdiocese to allow us to move forward with the next stage of the campaign. The petition was approved and the Building Committee will soon be soliciting proposals to hire an architectural firm. This is a wonderful development. If you wish to join the Building Committee please contact Bob Simpson. All are welcome!

I am always available should you have questions or concerns about the campaign, the new church, or St. Joseph's parish in general. My phone number is (301) 694-2928.

May God Bless You,

Rich Lyons
