

Have you considered making your offertory contributions using Electronic Funds Transfer (EFT)?

This "**Automatic Giving**" may be more convenient for you, and the consistent stewardship benefits St. Joseph's.

Your weekly contribution is vital to funding regular operating expenses, and your parish is grateful for your generosity. When you give electronically, you can be content knowing that your contribution is made and is contributing to the work of the church whether or not you are able to attend Mass.

It's simple! Just fill out this **authorization form**, then mail or bring it to the parish office to become a part of the growing group of parishioners who have chosen this safe, easy way to share their treasure. We'll process your enrollment within two business days and send you a letter of confirmation. You can make changes in writing at any time.
