

FAITH FORMATION REGISTRATION 2020-2021

This year, out of necessity, we are planning a full and unique faith formation experience that will engage your child and your entire family. These will be home study programs with some virtual sessions - schedules will be provided in the near future. Materials and training will be provided to ensure the best experience for you and your family.

Grades K-5

We will continue to use the Pflaum Gospel weeklies. Training will be provided for parents on how to use this material at home; coaching will be available throughout the year to help you best present these stories.

Grades 6-12

Information on the program will be provided soon.

Sacrament Prep

For those preparing to receive the Sacraments of 1st Reconciliation, 1st Eucharist, or Confirmation this year, information will also be provided soon.

Family Life

Family Life curriculum, which is required by the Archdiocese and important in forming our children in faith and in the teachings of the church, will be incorporated into the program. More information will follow.

Family Sessions

We used to be able to gather our families for faith enrichment. Now we will have those "sessions in a box" for all the families in our program. Your family will receive a box for the month with instructions on how to "bring to life" a catechetical session. It will be an exciting addition and adaptation.

Schedule

A schedule along with a proposed home schedule will be published soon. The schedule is when we as a parish will present material to the children. The home schedule is adaptable by you. If we schedule a home session on a Tuesday, and Tuesdays don't work, you can easily switch.

Throughout the year, we will offer opportunities to enrich family life. Stay tuned! But first, you must register.

Registration

Faith Formation registration is being offered in two ways. The online registration requires full payment at the time of registration.
